※Sample Photo shoes painted product

■ Product Description

- BLITZ original AERO SPEED R Concept body kit for the 40 series Vellfire. Upgrade your vehicle for a more stylish and sportier look.
- While maintaining the vehicle`s luxurious form, the front lip spoiler give the vehicle a more powerful presence. The simple layout of the lip spoiler keeps the balanced form of the stock body lines intact.
- The Rear Under Spoiler has a unique fin structure which is compatible with both stock and BLITZ exhaust system.
- The Rear Spoiler has a distinctive triple fin structure for controlled air flow and accenting the rear view.
